Local Physical Activity Event

What event did you attend? Please describe the people, place, and activity that occurred.

What was the outcome (the score, who won, who lost, etc)? What things occurred in order for the team/person to win and the other to lose?

What was your role in the event? Every role is important so please explain why your participation was valuable to the event. For example, a fan attending a game is important for support for the athletes, perhaps if they had to pay to get in or purchase merchandise the fan would support financially to the team.

Tell me five interesting things that you learned or observed and relate them to Physical Education topics.
